

Miami Township Service Guidelines

Rumpke is excited to provide WEEKLY trash and recycling services.

TRASH AND RECYCLING SERVICE GUIDELINES

Rumpke will provide weekly trash and weekly recycling service to Miami Township customers through the contract period. Your service day will remain the same, including recycling collection. Please follow the below guidelines for trash and recycling disposal.

- Please do not place household hazardous waste such as batteries, paint, tires, pool chemicals, propane tanks and syringes in your trash or recycling. These items pose an immediate fire and safety hazard and potential long-term environmental hazard. Please visit Montgomery County Solid Waste District's website for information on proper disposal of hazardous material, by visiting www.mcoho.org.
